

American Lincoln Parts

American Lincoln Parts - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known within the business as providing durable and strong equipment that satisfies all the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could provide machinery, components and warranty service for these scrubbers which carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Lately, this particular floor scrubber model has been utilized by the architects in various construction projects like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's utmost performance level and high standard of quality for polishing concrete.
