Advance-Nilfisk Parts - Think about how tedious it will actually be to tidy up your very own home after throwing a large party, with out help from cleaning machines. Back in the day, when upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the leading cleaning materials back then.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in the year 1906, he began to produce motors to be able to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the beginning was to own a worldwide business selling products worldwide.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by one individual. This invention came in a time where many cleaning equipment were huge and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning machines provide an excellent solution to an existing crisis; stuff get dirty and have to be cleaned frequently, without a lot of effort.

Slowly but steadily, Nilfisk-Advance grew all through the years. During the 1980s, this expansion truly took place the time the company became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap ahead within the trade, aspiring to be amongst the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is presently located in all parts of the world due to steadily acquiring lots of small companies in order to develop their product selection and presence in new markets.
