

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy providing items which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills combined with their knowledge of cleaning applications, together with owners' strong desire to dramatically lower expense through productivity gains.

When considered necessary, the staff members within TREK and its numerous dealer members in both technical support and parts would be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and working day after day is top priority. The company's top of the line technology delivers reliable machinery that eventually reduces your cost of cleaning. The service, the product and the price all work together to make them the leader in the trade.
